

## List your contact information for show customers!

Every year, we have hundreds of customers contacting us looking to contact certain artists and purchase work after the show. Due to privacy concerns, we can no longer distribute artist information without your permission. If you do not give us permission, we are unable to distribute your information.

Now, Girls Inc. can list your contact information, including a link to your website, on our website. This listing will also authorize us to give your name and information to interested customers who call in. With over 35,000 visitors to our show, listing your information is a great way to get new customers and stay in contact with old ones. If you are interested, please fill out your contact information below and send in a check or credit card payment of \$25.00. We will use this information for inquiring customers only; we will not sell it or distribute it in any other way.
