With desert dunes, beautiful beaches touched by two oceans, star-studded skies and some of the best wine in the world, South Africa might just surprise you ...

Your first stop will be **Cape Town**, a city with a compelling mix of trendy and old-world elegance. Glamorous hotels, world-class dining, and stunning vistas merge seamlessly with dynamic suburbs and vibrant nightlife.

Skip the cramped tour buses and experience **Chapman's Peak** and coastline views in the open-air of a sidecar. You'll travel to some of the most scenic spots around the **Cape Peninsula** including Hout Bay, the Twelve Apostles, Boulders Beach, Cape of Good Hope, and Cape Point Nature Reserve.

Take a Cape Town art tour with esteemed art expert Talita Swarts. She'll guide you through the **Ellerman House** and the **Zeitz Museum of Contemporary African Art** to see two of the most important collections of South African art in the world.

Next visit the **Winelands**. Here dramatic mountains stand guard over a quilt of working vineyards, elegant Cape Dutch estates and quaint towns boasting top restaurants, hotels and spas. Sample some of the region's award winning wines, stroll through exquisitely maintained gardens and explore art galleries and antique shops in the oak lined streets of the local towns with tour guide Dominic Dear. You'll experience the scenic beauty of **Stellenbosch** and **Franschhoek** with a tour of the Dylan Lewis sculpture garden, a coffee stop at the Old Storeroom, visits to exclusive boutique wine farms and lunch, culminating with a relaxing afternoon at a local eatery with stunning views.

Travel to the quaint, historic village of **Stanford**, located on the banks of the Klein River, Stanford is known to host over 200 different bird species of which 30 are endemic to South Africa. A *braai* basket (South African bbq) welcomes you before you visit the gallery of local artist, **Jero Revett**, who specializes in catching octopus and using the animal to make the most unique art you've ever seen, enjoy wine from Stranveld Winery as you chat with the artist while browsing his fascinating *gyotaku*—the Japanese art of printing with fish—work. Dine at the award-winning **Madre** restaurant, Other activities might include sundowners on the beach at **Walker Bay Nature Reserve**, a 4x4 botanical tour at a place humanity got its start, the **Grootbos Nature Reserve**, a guided tour of the **Klipgat Caves** to explore middle and late stone age history, and a **Marine "Big 5" Safari** to see whales, penguins, dolphins, seals and sharks!

Your stays at 4-and 5-star hotels and b & b's along the way provide the perfect place to rest and rejuvenate each day.
